Membership Application Procedure - Please retain this sheet for your information

- To start the process of membership a membership application form must be completed and submitted by email, mail to the address on the form or hand delivered to the membership director. A signed waiver form must accompany this application form. Applicants new to archery will be required to participate in either the YCB archery school, private lesson or a short safety workshop prior to any participation in club archery activities by themselves. Arrangements for participation in the YCB archery school can be made with the York County Bowmen coaching director. School application forms are available. The short work shop can be arranged with the membership director. See the YCB website www.yorkcountybowmen.com for detailed information about the YCB School. A valid e-mail address is mandatory; all our communications are by e-mail. If personal access to e-mail is not available, maybe a family member or friend can take messages.
- New members must attend an orientation meeting, which will include a proficiency demonstration, prior to any archery activities at the club's facility on their own. After receipt of the application form the membership director will contact the applicant and arrange the orientation meeting and workshop if required. Applicants are requested to download and read the YCB club 'Rules and Regulations' prior to the orientation meeting. The rules and regulations will be discussed at the orientation meeting. A photo ID Tag will be issued to all members. In case of a family membership all listed members over the age of eleven require a photo ID Tag. **ID Tags must be visible at All times on club property.** Photos should be submitted via email with the membership application.
- All applications for membership are subject to a ninety (90) day probationary period. During this time both parties, the applicant and the YCB board of directors, have the option to accept or reject the application. The probationary period does not apply to members who have had a previous membership at YCB within a 2yr period or vouched for by an existing member. Approval for full membership will be reviewed, after the 90-day probationary period, by the Board at the monthly Board meeting (normally held in the first week of each month). Active membership starts as of the day of membership approval.
- In addition to the annual membership fee, new members are required to pay a one time non-refundable initiation fee of \$50.00. This fee will be reduced to \$25.00 for new members who have participated in a YCB Archery School Program within the previous 2 months. Members who allow their membership to lapse beyond Feb 15 of the renewal year, will be charged an additional administration fee of \$25.00 to re-instate the membership. This fee will also apply to past members who wish to rejoin.
- Fees include a non-refundable amount of \$124.30, (\$62.15) for students, juniors and senior citizens). This amount covers the probationary period of 3 months and will not be refunded should you choose not to join the club following the 90 day probationary period. A 50% discount off the administrative fee applies to recent (within two month) participants in the YCB archery lessons. Payment may be by cheque or money order payable to **York County Bowmen. E-transfers are preferable to membership@yorkcountybowmen.com**
- Annual Membership Fees are non-refundable except in exceptional circumstances with approval of the Board. In cases where there is Board approval the membership fees will be refunded at the pro-rated amount, less an administrative fee @ 25%. alternately, the member may choose to defer the membership to the following year. The prorated amount would be credited to the annual fee.
- Student and Junior memberships require sponsorship from an adult full member. No application for individual membership shall be considered from any person under the age of twelve years on December 31st of the year of the 12th birthday. Any junior member under the age of 16 on December 31st of the year of the 16th birthday needs to have a parent or guardian present at the club's facility at all times. All parents or guardians who may accompany this junior member at any time must participate in the orientation meeting with the membership director or a person designated by the membership director. It will be acceptable to entrust a willing adult full club member to take temporary charge of the junior member while on the club's facility. The gate lock code and an electronic key fob, to have access to the building, can be supplied on request but must stay in the possession of the parent or guardian accompanying the junior member. Photo ID tags will be issued to the junior members as well as all parents or guardians who may accompany the junior member at any time. **These ID tags must be visibly worn by all while on the club's property.**
- Family memberships include up to 2 adult partners and all dependent children under the age of 18 years or with proof of registration in post secondary education and living in the same household, to the age of 22. Otherwise, persons 18 years and older must apply separately for an individual adult or student membership. Family memberships convert to Senior when the main member is 65 yrs of age.
- A full time student membership is for persons attending school full time locally and make use of the club's facility year round.
- Out-of-Town student membership is for persons attending school full time out-of-town. They will be allowed access to the facilities from the beginning of May to the end of the Labour Day weekend. Occasional visits to the club at other official school holidays will be included. Access Cards or gate lock codes may be issued to these members on the membership director's discretion.
- Probationary members will have limited privileges of the club; the gate lock combination and a clubhouse Access Card will be issued. The presence of a full member is recommended to have full access to the club's facilities. It is not recommended that new members, unfamiliar with the grounds, meander into the forest by themselves; an adult full member's accompaniment is strongly advised until becoming fully familiar with the surroundings and trail safety rules. There are some heavily wooded areas and it is possible to easily become disoriented. It is recommended that new members participate actively in archery and meet as many full members and board members as possible during their probationary period. Probationary Members are not permitted to host guests.
- Members will be eligible to purchase an electronic Access Card (\$25.00 non-refundable fee) to get access to the building, and will be provided with the lock combination for the front gate. Members are obliged not to share the gate lock combination; it shall not be passed on to non-members. Each year a new gate lock combination will be issued to paid-up members prior to the lock being reprogrammed. Access Cards of members not having renewed their membership for the following year will be deactivated.
- The membership fees are for a 12-month period. However, we do operate within a fiscal year, which ends on the 31st of December. This date is also when membership renewals are due. Notifications requesting payments will be mailed in December to all members. New members joining partly into the year pay the pro-rated yearly fee for the months remaining on the calendar year. For example: A member being approved at the June meeting pays 7/12 ths of the annual fee.
- Certain maintenance is required on the clubhouse, grounds, 3-D, Field and FITA course during the year. All members, excluding Senior, Junior and Honorary members are requested to participate in this work for a minimum of 10 hours/year. Administrative activities count as work hours. It is the members responsibility to ensure that hours are recorded in the Volunteer Book. Recorded hours will be credited at a rate of \$15.00/hr to a maximum of \$150.00 (10hrs) towards the following years membership fees. Unrecorded hours will not be credited. Please note the notices on the board in the club house, e-mail notification or newsletters for work party schedules.
